Object: Telemecanique_Sensors_Products REACh declaration (REACh: Registration, Evaluation, Authorization and Restriction of Chemicals)

Dear Customer,

TMSS France and its affiliates have undertaken to strictly comply with the REACh regulation N° 1907/2006 for the declaration of Substances of Very High Concern (hereafter referred to as SVHC), authorization (Annex XIV) and restriction (Annex XVII).

As per our commitment under article 33 of the said regulation, you will find attached here below information, to the best of our knowledge and as of the date of publication of this information, regarding the presence of SVHC in Telemecanique Sensors' products.

This information may evolve over time as new or updated information becomes available.

Furthermore, the information provided in this declaration is based on data received from our suppliers and/or manufacturers. While we make every effort to ensure the accuracy and timeliness of this information, we cannot be held liable for any omissions or inaccuracies originating from third-party sources.
TMSS France and its affiliates cannot be held responsible for any changes in the regulatory status of substances that may occur after the date of this declaration.

Best Regards,
